

Tuscany™ in Graphite Grey

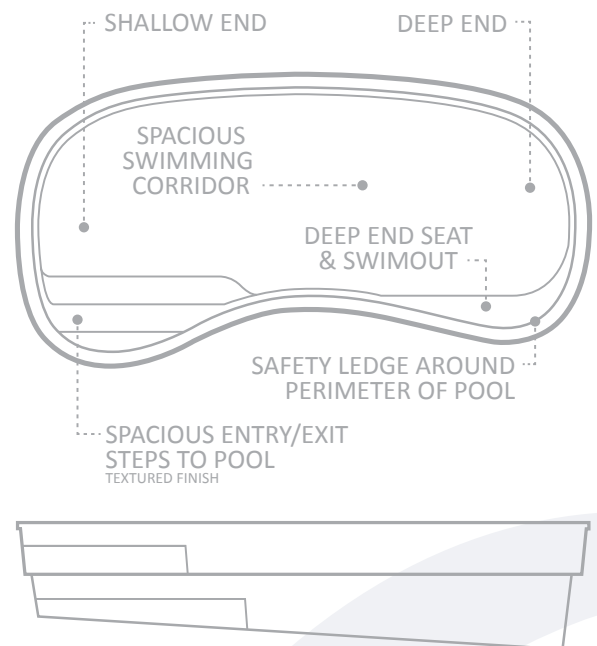

Swimming pools that feature a free form design have always been a popular choice amongst pool owners. This type of design seems to epitomize a casual and relaxed feeling that many enjoy in their home.

The free form shape of The Tuscany™ can adapt to any theme you may wish to create with your swimming pool area. The Tuscany™ is a delight to landscape around and lends itself readily to combine with rockeries and tropical plants, waterfalls, timber decks and natural stone surrounds. At the same time it will look equally impressive surrounded by paving tiles and neat cropped hedges in a more formal design.

Free form designs fit perfectly in just about any pool site but are particularly adaptable to difficult corner sites where the free form shapes afford considerable versatility of placement. The free flowing curves allow you to maneuver the pool into places that many other more formal shapes won't fit.

The Tuscany™ maintains generous-sized steps into the pool at the shallow end as well a bench seat swim out toward the deep end. Even though the pool seems quite curved, there is a full-length, unobstructed swimming corridor down the center of the pool, which affords the ability to swim laps.

With The Tuscany™, we can create your own personal oasis with all of the conveniences from home.
